Systems
Truss

- ideal for large, eye-catching exhibition stands
- endless possibilities for decorating and furnishing your stand
- building your booth up to 6 metres high
- spanning your booth up to 12 metres wide without a support pillar

- ideaal voor grote, opvallende beursstanden
- onbeperkte mogelijkheden voor de aankleding en inrichting van uw stand
- uw stand tot 6 meter hoog bouwen
- uw stand tot 12 meter breed overbruggen zonder steunpilaar

- conçu pour des grandes surfaces.
- un stand ou diverses possibilités et type de décoration sont réalisable.
- un stand qui peut obtenir jusqu'a 6 mètres de hauteur et 12 mètres de largeur sans pilier

Systems

Wood • Hout • Bois

- with wood, we can build your stand completely to your taste
- wooden structures add an extra boost to your stand
- the costructions are reusable

- met hout kunnen we uw stand volledig naar uw smaak bouwen
- houten constructies geven uw stand extra cachet
- u kunt de constructies hergebruiken

- nous pouvons réaliser un stand écologique puisqu'il peut être réutilisable grace à sa matière en bois.
- d'autant plus que celui-ci apportera à votre stand une spéculation fructueuse.

Testimonials

With a lot of experience and enthusiasm you will be helped in a professional manner to set up the stand that meets your wishes. Very creative with design and a lot of input with good ideas. Expo Point has been building our Syntech Nutrition stand for over 8 years, highly recommended!

Bob Wigman

The Expopoint team! always meet their agreements correctly, go for the extreme, are punctual and on top of that, very nice people. Highly recommended to work with.

Michael Meers

Always smooth cooperation. Clear punctual agreements. In short, a pleasure to work with.

Regius Max

Recommended to work with. Listened very carefully to our wishes and took our budget into account. Everything is communicated very transparently. Our next stand will certainly be provided by Expopoint again.
